REQUEST FOR CORRECTION

Dear Sir,

One mistake of minor character appears in the above-referenced patent. As clearly disclosed in the Patent Office records, the Examiner clearly indicated the O.G. Figure to print as Figure 2. However, the O.G. Figure that was printed in error was Figure 1. The Applicant respectfully asserts that the error was the fault of the Patent and Trademark Office and therefore the applicant respectfully requests that in accordance with 37 CFR §1.322, the Office issue a certificate of correction, with costs incurred by the United States Patent Office, consistent with the enclosed text of the correction on

Certificate of Correction form PTO/SB/44. I have enclosed two photo-ready versions of form PTO-1050 (PTO/SB/44).

Our office does not anticipate a fee be charged to our deposit account. Should you have any questions, or identify any problem, I would appreciate a telephone call so that this matter may be resolved promptly.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Michael B. Brooks". The signature is fluid and cursive, with the first name "Michael" and last name "Brooks" being clearly distinguishable.
